CAREER HISTORY

Occupational Health Nurse / Disability Case Manager

The Ottawa Hospital - General Campus April 2019 to April 2020

- Worked with department managers to improve short term, long term disability, and return to work timelines by closely managing injured/sick healthcare workers .
- Encouraged management to adopt online disability management tools to improve disability timelines and return to work outcomes.

Occupational Health Nurse / Disability Case Coordinator

University Health Network - Toronto Western Hospital April 2017 to August 2018

- Managed the non-complex return to work process, advising management and union on appropriate job placement for Toronto Western Hospital, including Altum Health all over Ontario.
- Coordinated with other Occupational Health Nurses and Disability case manager to improve departmental workflow by creating standard work for all departmental processes to improve turnover times and clinical services.
